

The National Open Art Competition 2011

Ten works on paper selected for the Watercolours + Works on Paper Art Fair

The National Open Art Competition starts the beginning of the year with a stand at the prestigious Watercolours + Works on Paper Art Fair at the Science Museum in London.

We are delighted to be invited by the organisers; Works on Paper Fair Ltd who are based near Petworth, to exhibit 10 artworks from the National Open Art Exhibition 2010 to be showcased from February 3-6 the Fair typically attracts over 11,000 visitors. With at least 50 other exhibitors this is one fair not to miss www.worksonpaperfair.com

Also very exciting for 2011 we are media partnered with a-n Magazine considered to be the most high profile of all the art press, this will give us increased national editorial coverage, and UK based artists easier access to NOACC and all the a-n resources.

The NOACC website is now fully e-commerce so if you missed the exhibition last year you can now see the show and archived exhibitions online www.thenationalopenartcompetition.com. Just click on Gallery and if you feel like buying one of the works just click on Buy.

If you would like to keep in touch with the NOACC please email your details and we will send you regular updates on events and initiatives throughout the coming year.

If you are an artist Register Online now and receive useful email reminders, submission deadlines etc.
